

Dear WSC members,

### **Sunday Sailing**

Sunday saw the WSC Christmas race day and a mini harbour marathon style of race. With Christmas carols playing and a light breeze blowing, everyone had a great day on the water.

After sailing we all headed upstairs to enjoy the WSC Christmas party. Everybody enjoyed the food, arranged by Lori. The quantity was spot on and at the end of the evening there were only eight chicken wings left over!

Apart from the ladies, Paul Peters was a great help organising prizes and decorations. The B14ers, Paul and Helen Impey, made light work of cleaning up, and thanks to the office contingent for organising the drinks.

While all the full-strength beer went pretty quickly, we still have wine, bubbles and soft drinks left over, so there's no excuse not to have another function in the near future.

### **YDS**

The YDS kids had a fantastic Christmas sailing day with lots of lollies and new Opti's handed out as early Christmas presents.

We had two top races with Little Max Parker, who after having a steer on Wild Oats, came out and won the second race.

Thanks to all the kids and parents for making such great food for everyone to enjoy.
