

Dear Members,

Twilight Sailing

Thursday saw the start of the WSC twilight series. There were plenty of Moths, 49ers and even a Hobie Tiger competing in the shifty South Easter. It was great to see so many people on the water and we look forward to more great racing this Thursday -- first start 6.00pm.

Summer Series

Once again we had tough racing conditions for the WSC fleet. The tricky easterly breeze and rainy conditions provided challenging racing. Once again the B14s were out in force.

In the B14s, Daniel Watson and Ailie McKendrick were right up there placing second in one of the races followed closely by Funky Blue, skippered by Dennis Coleman. The Nude remains undefeated at the top of the point score.

In the 49ers, our mixed crew of Cat Sturrock and Sangster put on a solid performance finishing third in the final race. Andrew Chapman and Peter Kendall, who are in preparation for the 49er Worlds in the Bahamas, had two seconds. The ever-consistent Nigel Littlewood and Adam Watson, on the Rivkin Report, placed third and first.

It was great to see the Tasars building back up for the summer and on the water racing. Julie Sumsion and Martin Gill on Camelot won the day with two bullets. We look forward to getting more Tasars down here sailing.

In the Lasers it was a close battle between Howard Taylor and Craig Weaver both having a first and a second each. Unfortunately for our new Laser member Tom Barker, his day finished early after snapping his rig.

YDS

This Sunday sees the start of the summer YDS program. Forty-five kids will be sailing on Sunday mornings and Dolphins will be racing with an 11am start. The Fevas will now be taking part in club racing starting at 1.30pm.

Congratulations to all new Opti boat owners. We now have an Opti fleet of 20 boats!

We would like all Nemo and Dolphin sailors to arrive at 9am to enrol and pay for the course.

Feva sailors need to be at the club by 1pm.

Mal's Function

It was great to see so many members at Mal's function. We hope that Mal will continue to play a part in the growth and success of the club.

Sail Sydney

The club is now in full preparation for Sail Sydney. We would like any members who would like to volunteer to contact Sam, Dave or Syrie in the sailing office. Your assistance would be greatly appreciated.

We've had several requests for home-stay during Sail Sydney. If you have a spare room available or know of anyone who does, please contact the sailing office. Thanks.
